To Whom It May Concern:

Currently we do not menu any entrees for your district that contain pork. Items that are traditionally served as pork, such as hotdogs, ham, sausage and pepperoni are made of beef and/or turkey. A Meat or Meat Alternate is required each day on school menus. All of our meat or meat alternate items are made of Beef, Chicken, Turkey, Cheese, Beans or Soy Protein.

Should a pork item be requested by the school or any item contain pork, it will be designated with an icon  on your school's menu webpage which can be found at www.preferredmealsmenu.com.

As our vendors and products are updated, please make sure your food service department is able to check and verify labels and contact us as needed.

If you have additional questions about the menu provided by Preferred Meals, please visit the Frequently Asked Questions on our webpage: www.preferredmeals.frequentlyaskedquestions.com

Sincerely,

Cathy Sullivan
Menu Department Manager
