Urgent Communication

Virtual School from April 8th through April 21st

April 8, 2021

Dear Richfield Families,

Yesterday we were informed of several students that tested positive for Corona. These students were in school and were also on the buses. Due to the increased possibility of contamination, the safest thing to do was to immediately shut down school for all students and staff. Due to the possibility of your child having been exposed to someone who has tested positive, we are asking that you do the following:

- 1) Quarantine for 7 days if your child shows no symptoms;
- 2) Closely monitor your child for any symptoms and if you suspect that your child may have contracted Covid, please get a test to verify. If you, or your child, get a positive test result, please notify our school nurse, Nurse Amy Cromwell, acromwell@richfieldpsa.org.

Today and tomorrow students will be involved in asynchronous work. **Beginning Monday, April 12th all students will be required to log in to their teacher's classroom at 8:30 a.m. for virtual learning for the day. Should you have any technical difficulties please contact Mr. Pacheco at (810) 922-0708.**

Our planned return to school date is Thursday, April 22, 2021. Please make sure you listen to all of "blast" messages and check Facebook or our website for any updates.

And remember, "with love and patience nothing is impossible". (Daisaku Ikeda)

Sincerely,

Pamela Haldy
