RE: BUS TRANSPORTATION

Parents,

As you are aware many districts in the county are suffering from a lack of qualified bus drivers to drive the school routes. Unfortunately, Richfield is also affected by this issue.

Please bear with us as we try our best to keep all routes running to support you in getting your children to school. Please pay close attention to all of the blasts that we are sending out, as we are trying to keep you informed with the most updated information about the bus schedules.

When one bus is late or has a substitute, it affects all routes as the other drivers pick up additional stops to support the transportation, so please wait at the bus stop with your child.

Please be assured that we are constantly recruiting to increase the number of drivers and eliminate these issues.

Sincerely,

Pamela Haldy
Superintendent
