Memo to: Richfield Families  
From: Pamela Haldy

Dear Parents/Guardians,

Thank you for taking the time to respond to our survey. Your voice and concern is very important to us as we make decisions affecting our educational programs. More than half of our families responded that they are still not comfortable sending their children back to face to face learning on January 17th as previously planned. Therefore, we will extend virtual learning. [School will resume for in-person instruction on Monday, January 24, 2022.](#)

It is unfortunate that we are still plagued with CoronaVirus infections that are impacting our lives in many aspects. We are hopeful that by extending the virtual learning until January 24, 2022, which is approximately one month from the beginning of the holidays, that new infections will have run their course.

Please continue to follow all of the safety precautions for yourself and your children. We pray that you all remain symptom free and that we can see you all again on January 24, 2022. Please review our messaging broadcasts through phone calls, e-mails and texts, posting on our website and, on our facebook page. As always, should you have any questions please reach out to us.

On behalf of the Board of Education and the entire Richfield Staff we look forward to seeing you soon.

Pamela Haldy  
Superintendent
